AUDIENCE REGISTRATION

If you want to build a portfolio of higher-quality early-stage investments but have limited time, this is for you!

Fifteen Minutes
the program gives each company to cover its presentation deck, questions from the host, a view from a sector analyst, then audience Q&A via Skype.

Showcasing Four
carefully curated early stage companies for its live, nationwide investor audience.

Helping Higher Earners
who are aiming to make regular SEIS investments as part of a balanced and diversified portfolio.

The Audience Determines
whether the pitch will progress to listing on the crowdfunding platform: if it does, it is likely to indicate that it will be fully funded.

For the successful applicants, there is no charge to appear on the show. Great early-stage businesses, please apply at www.intelligentcrowd.tv
